

Master's Thesis Bazaar – April 10 at 16:00-17:30

Lots of attractive projects within medicine, bioinformatics, biostatistics, human nutrition, human biology, molecular biology

Learn more about how your genetic make-up influences your health and risk of disease

Are you interested in knowing more about the 100 trillions of bacteria inside you?

This is your chance to become a part of one of Europe's leading research centers within the field of metabolic genetics.

**We invite you to an informal master's thesis bazaar
in our center at Universitetsparken 1, 1.floor
which is next to HC Ørsted Institute**

10th of April 2014 at 16:00-17:30

Program for the event:

16:00-16:10	Introduction to our section
16:10-16:30	Short presentations of available projects
16:30-17:30	Drinks, snacks and networking

Genetics of Metabolism

Metagenomics of Gut Bacteria
